## Keeping District 14-L Lions Clubs Informed

Number 101

July, 2023

### District Governor's Message

Thank you all for supporting me in taking the position as your District Governor. Our district has a distinguished past with many great leaders. But now, we look to our future. What is out there for our clubs and our district?

First, enthusiasm is contagious. If we want our clubs to be successful, we need to show real enthusiasm for our service as Lions. Our Lions need to see it demonstrated so they can help "Change the World".

Second, LCI's Global Membership Approach process can help us grow our clubs both in membership, service, and leadership. It brings focus to three important areas supporting our success as Lions.

1. Rejuvenating our district with new clubs.
2. Revitalizing clubs with new members (especially smaller clubs).
3. Re-motivating existing members with ready district teams working in fellowship and exciting service.

We have chartered a new branch club at Beacon Lodge Camp this past year and are working to make it a Cyber club as well. We should be able to charter the Beacon Lodge Lions Club early in my year!!! Good things are happening!!!

And third but most importantly, our current and incoming district leadership team needs to work together this year to accomplish our goals, I could not have a better team.

Our district has put together a prepared, trained, organized, and experienced leadership team of upcoming governors, district officers and zone chairs but we still need more Lions to step up. Now our Global Action Team consisting of our Global Leadership Team, Global Service Team, and Global Membership Team and I as Governor, will keep a close focus on our district goals and getting them accomplished. During this Lion Year, I will specifically be putting my focus on Service and encouraging Leadership Development. It is extremely important to our clubs, our district, our multiple district and Lions International that we develop the leaders we need to keep our

Association of Clubs growing and providing more service. Only then can Lionism stay relevant.

Over the last few years, I have found one recurring issue. That issue is the need to develop more Lion Leaders and to better prepare them on how to fulfill their respective roles. We accomplish this partially by training the current incoming club officers. But in addition, and probably more important to our future, we need to develop a line of officer succession to fill our future club and district positions. We need to train the leaders of tomorrow today, not just in the future! We all need to identify potential leaders in our clubs and encourage their growth and development as leaders.

Lions, this can be an amazing year. But only if we all do our part. Identify new leaders. Step up to the next leadership position in your club or the district. Attend Lion training events, before becoming the person in that office. I plan for this coming Lion year to be focused on leadership, membership and the districts own Beacon Lodge Camp. Beacon Lodge Camp is entering its 75<sup>th</sup> year and we as the district that contains this fabulous camp need to "Step Up" and help put focus on their achievements and help determine their future successes!

#### District Goals 2023 – 2024

1. Service, Service, Service
2. Shout from the rooftops about our service so everyone knows
3. By doing the first 2 items members will come
4. Form 1 new traditional Lions Club
5. Increase Club Contributions to Support LCIF.
6. Support the districts own Beacon Lodge Camp.

Yours in Lionism,

DG Jason Radmann

In 1948, Lion Carl Shoemaker helped found Vacations for the Blind, a summer camp designed for adults with vision impairment. Since then, the name was changed to PA Lions Beacon Lodge Camp. The program has also changed to include children and adults with a wide range of disabilities. By providing a sponsorship or joining us at the American Legion Country Club, you will be helping us continue our mission of providing a summer camp experience to our statewide community of Adults and Children living with Special Needs.

**Subject: Booklet ad clarification**

Lions,

We've had some questions regarding the ads we recently advertised for the Beacon Lodge booklet and realized the original message was a little light on details.

A full-page ad will be 5.5 inches wide and 8.5 inches high - \$100.00

A half page is 5.5 inches wide by 4.25 inches high - \$60.00

A quarter-page ad is 2.75 inches wide by 4.25 inches high - \$30.00

You can also show your support by being a Patron for \$5.00

The banners are \$100.00, will be 2 feet high by 3 feet wide, and will be displayed at the Camp in 2024. You do not need to purchase an ad to be eligible for a banner.

Thank you for your continued support of your Camp!
