District Governors Message

My last newsletter article as District Governor, it is a happy and sad moment. Happy that I get to talk directly to our members one last time but sad that it is coming to an end without having completed everything I had set as goals. Even with goals left incomplete, I am excited to be passing the baton to the next leader and my husband, the District Governor Elect, Jason. At his recent cabinet retreat, we all set the new goals for the district, goals that build on the successes of this past year and look honestly at the things left unfinished. Goals that I know the lions of this district can achieve in the upcoming year.

The lions of district 14L have welcomed me into their clubs all year and offered personal and club support. We have laughed together over many stories as we have all gotten to know each other better. I have been honored to induct new members and install club officers as well as present numerous awards to the deserving lions in our district and beyond.

As I say good bye to being District Governor, I have been told that PDG stands for several things, my father says it is Permanent Dinner Guest, IPDG Gary says it stands for Power Done Gone but our International President recently told us it means Providing District Guidance. Personally, I think it stands for Putting Down the Gavel, taking a step back to allow the next generation to become the best our district can offer and working to help that next generation help us all to provide meaningful service in our communities. It is up to all of us that carry the PDG title to offer assistance and guidance but also to accept and support the changes that are made to move the entire district, multiple district and the International organization forward.

So, with that I thank all of you for allowing me to serve as your District Governor and I look forward to seeing everyone again as District Governor Jason's partner in service during the upcoming year. As always, please let me know if there is ever anything I can do to be of help to you or your club. And remember.....

Together We Can Get Out of the Box with many Hands for Service!

And I do ask everyone to follow the advice our International President Lion Brian had at the convention - MAKE A GREAT DAY

In friendship and service,

DG Trisha

1st vice District Governors Elect

Hello Fellow Lions,

Well as the Lions year comes to a close I am busily working on planning my District Governor year for 2023-24. We had a great 100th State Convention in Indiana where I got pinned as incoming District Governor and had my first MD14 State Council meeting. Also I am very proud of Lion Jonathan Carver and Lion Hunter McVey for receiving very prestigious medals for their Lions work at the State Convention presented to them by Lions International President Brian Sheehan.

Next step is the 105th International Convention in Boston in July where I will officially become District Governor. PDG Trisha, myself and FLD Millic will all travel to Boston July 6th for the Convention.

A couple of things for the upcoming year. If your club requires training of any sort for your club and officers please contact FVDG Brad Wingard to arrange that training, if your club needs help with membership please contact SVDG Dave Florie and if you need help with service related items please contact Lion Hunter McVey. I will be available for any of these things as well. We are still looking for people to fill roles in the District Cabinet so feel free to contact me if interested. Be on the lookout for billboards in District 14L, one in the Everett/Bedford area, one near Millbrook and two in the Altona area, hopefully these will bring in some membership to the District.

This upcoming year will be all about Beacon Lodge for their 75th anniversary. All my district events will be held at Beacon Lodge. Don't forget about Pennsylvania Lions Appreciation Day (PLAD) at Beacon Lodge on July 16th, please come join in the festivities and make it a great day!!

I am looking forward to being your District Governor for 2023-24 and helping District 14L move forward.

Yours In Lionism,

DGE Jason Radmann

Here is some helpful information on service! Having a fund-raising event? Let's say you have a hoagie sale with the proceeds benefitting someone battling cancer. If you have information available to educate the community on cancer, this now makes it a service event! This is just one example out of many to make a fundraiser a service activity. Below is some good information on what is, and is not, service. Any question feel free to contact me!

What is service?

Lions and Leos serve in many ways, including:

Service activities: Hands-on service activities, such as tree planting, vision screening, rebuilding homes after disaster strikes or serving meals to those in need.

Advocacy: Raising awareness of the causes that are important to Lions, educating our communities on issues that impact them and working with others to bring about positive change. Some examples include hosting a Strides walk for diabetes awareness or visiting a local lawmaker to discuss the needs of the blind or visually impaired.

Donations: Making charitable donations to individuals or organizations, including Lions Clubs International Foundation (LCIF). Funds donated to LCIF are tracked by the foundation and need not be reported as a service activity.

Fundraising: Raising funds to enable our service.

Service support activities: This encompasses four broad categories:

- 1 Holding meetings to strengthen your club, educate and train members, or plan other service activities.
- 2 Fulfilling administrative tasks, such as running errands, maintaining club records, or reporting.
- 3 Attending Lions events such as conventions and forums.
- 4 Engaging in fellowship and fun, together with other Lions.

These activities contribute to Lions' positive impact in various ways, including attracting new members to clubs, helping clubs retain members by providing a positive experience, preparing Lions to serve, or directly benefiting the people we serve.

What is not reportable service?

Many Lions and Leos serve their communities individually, outside of the activities planned by their clubs, districts or multiple districts. Some examples include bringing a meal to a neighbor, driving a parent to a medical appointment, or volunteering at their place of worship. This type of work is important and commendable; however, it should not be reported as a Lions' service activity.
